"You will make friends for life and end up coming back every summer"

Women from all over the world return year after year to Skala Eressos, a small village paradise on the beautiful Greek Island of Lesbos.

Diva Destinations is returning for its 5th year to celebrate the festival's 20th anniversary.

For many lesbians the small fishing village of Skala Eressos is a "must" visit place. Every year women from all over the world return to catch up with friends, meet new women and to enjoy the many events that take place during the 2 weeks. The freedom of expression in the village is not typical of the rest of the island, but in Skala Eressos it is welcome! This unique, unspoiled beach village offers a very alternative type of festival to some of the better-known party resorts, and allows you to have just the kind of holiday you want while being exactly who you want to be. Diva Destinations have hosted their group holiday in Skala Eressos for the last 4 years and are looking forward to doing it all over again in 2020.

We will be staying in village accommodation with daily group breakfasts in the village square cafe and group evening meals at one of the many beautiful beach front restaurants in the village. **There will be organised group activities during the day including beach volleyball, local walks, group swims, watersports plus the daily festival events. Once night falls, the village comes alive as the festival show cases one of it's fantastic evening performances.**

So join us in September 2020 and meet like minded women in this small piece of Greek paradise. After arriving at Mytilene airport you will be transferred to resort where your Diva Destinations representatives will show you to your accommodation. We will be hosting our welcome dinner at one of the beautiful beach front restaurants, a great way to meet fellow guests'. We'll then spend the next 2 weeks relaxing, laughing, exploring and having a whole lot of fun along the way.

What goes on at the festival? In a nutshell, a lot of fun and a lovely mix of sociable and interesting events! There's always something to do, see or go to during the day, including workshops, group walks, the daily swim to the rock, Pilates and art exhibitions. In the evening you have the main festival event. This could be a film screening, one of the many acts performing or the famous Alternative Fashion Show. During some of the evenings the festival put on a Karaoke and quiz night and the Sing-a-long Bingo - all firm festival favourites! If, after all of that you want to continue to party then you have various international DJ's taking you into the early hours!!

Whatever it is, it's always a fun, sociable and relaxed evening. Past acts include the fantastic and much loved McChicks, Horse, the Camp Vamps, Eva Inglesias, the Rainbow Girls, Kelly Bennett & comedian Lara King to name a few.

Eressos Women's Festival would not be the same without the offerings of a range of workshops and seminars by some very talented women. Plus there are organised group walks throughout the week.
